

Wykon Points of Pride

Here at West Iron County Schools, we pride ourselves on numerous areas, both in the classroom and in extracurricular opportunities.

We offer

- Upper level Business & Science classes.
- Dual enrollment opportunities to earn college credits.
- Vocation/Career Tech Education on campus (business, multimedia productions, welding, woods, building trades, building in Geometry, etc.) and full opportunities at the Dickinson-Iron ISD CTE center.
- At home Wifi services available through NMU.

WICS is financially stable. We have;

- Large scholarship funds for graduating seniors. Last year, our seniors received around \$600,000 in scholarships.
- Approximately 30% fund balance.
- A newer bus fleet, and have our own bus drivers and custodians.
- Not experienced any staff layoffs since the 2007-08 school year.
- 21st century technology, with 1:1 devices from 1st-12th grades plus smart boards in classrooms. This program is fully funded, and not paid from general funds.

At the start of each school year, a former graduate purchases shoes for every elementary student.

Safe and clean learning environments include;

- Fresh air and up to date heating systems.
- Secure entrances with safety cameras and door buzzer systems.
- New LED lighting throughout the schools.
- New playground equipment at the elementary.
- Updated bathroom facilities.

Educationally based field trips to various locations;

- Our high school symphony goes to New York every other year.
- Our middle school students have gone to Isle Royale.
- Our 4th grade students yearly have the opportunity to go to Mackinac Island.

We offer multiple extracurricular opportunities. These include;

- 9 varsity sports
 - FALL: Football, Girls Tennis, Volleyball, & Cross Country
 - WINTER: Boys & Girls Basketball
 - SPRING: Track & Field and Boys & Girls Golf
- Clubs
 - Business Club
 - Forest Club
 - High School Bowl
 - Key Club
 - National Honor Society
 - Student Council
