February 8, 2022

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for West Iron County High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Mike Berutti for assistance.

The AER is available for you to review electronically by visiting the following website <https://bit.ly/3L7rMGE>, or you may review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2018-19. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2017-18. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2016-17. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

West Iron County High School is the only high school in our district. Children in grades 9-12 attend the high school. We are in the second year of another cycle of our three year MICIP plan. Our School Improvement team focused on improving students' Social Emotional Learning. The West Iron County Public Schools does not have any specialized schools. If you would like to see a copy of our curriculum, please stop in the office. Our curriculum is matched with the Common Core Standards. The SAT, Michigan Work Keys, PSAT and M-Step test is the only student normed achievement tests that we take.

The High School did not have an orientation or parent / teacher conferences in the fall of 2020 due to COVID 19. Attendance and percentages for parent teacher conferences were as follows for the past three years:

2017- 28 of our 57 families were in attendance for a 49%  
2018- 26 of our 67 families were in attendance for a 39%  
2019- 29 of our 66 families were in attendance for a 44%

#### 10th Grade

2017- 28 of our 62 families were in attendance for a 45%  
2018- 28 of our 60 families were in attendance for a 47%  
2019- 27 of our 65 families were in attendance for a 41%

#### 11th Grade

2017- 25 of our 58 families were in attendance for a 43%  
2018- 26 of our 61 families were in attendance for a 43%  
2019- 27 of our 61 families were in attendance for a 44%

#### 12th Grade

2017- 22 of our 51 families were in attendance for a 43%  
2018- 22 of our 55 families were in attendance for a 40%  
2019- 23 of our 58 families were in attendance for a 40%

West Iron County High School offers one in house college level class, Calculus, through Northern Michigan University. We also offer Dual Enrollment classes through Bay West College and had 15 students 13 students earn college credits during the 2020-2021 school year.

We, at West Iron County High School, are proud of our students and the work that is accomplished to meet federal and state guidelines. We thank you for your continued support with your children. We encourage you to continue to instill in your child the importance of a good education.

Sincerely,

Mike Berutti  
Principal

## NAEP Participation Data

Grade	Subject	Participation Rate for Students with Disabilities	Standard Error	Participation Rate for Limited English Proficient Students	Standard Error
4	Math	86.9	2.25	97	0.97
	Reading	85.4	2.57	98	1.04
8	Math	81.9	2.48	95	1.79
	Reading	83.3	2.41	91	3.97

*The National Assessment of Educational Progress (NAEP) is periodically administered by the U.S. Department of Education based on assessments administered to samples of students in each state. Federal regulations require the display of state level NAEP data on the Annual Education Report. These data represent the performance of the most recent sample of Michigan students on the NAEP.*
