

Student Survey Notification

Dear Parents and Guardians,

We thank you and your family for being our valued partners as we work together to educate the children in our district. We value input from our community – and we need to hear from your child or children! Students are important partners as we work to improve our communication, academic program and overall experience for everyone.

In order to learn more about student experiences at school, we will be asking for your child's feedback through online surveys they will be completing at school. The surveys shouldn't take more than 20-30 minutes to complete.

We are asking that all of our students participate in the surveys, as their feedback will provide invaluable insights into their experiences, so we can improve our district and help support their individual needs. If a student doesn't feel like they have enough information to answer a question, they will be able to skip the item altogether. We are partnering with a third-party vendor to support us in administering these surveys.

The survey content will ask students to self-reflect on their overall experience of school and their perception of their own self-efficacy, self-management, social awareness, emotion regulation, and supportive relationships.

West Iron County Middle School/High School students will be asked to complete this survey during their first hour class period on May 10th, 2022. A copy of the survey is available in the Middle School/High School office upon request. Parents/guardians will also be sent a family survey for completion prior to May 14th, 2022.

If you would like your child to opt out of taking these surveys, please visit our website for an opt-out form and return it to the office by **May 6, 2022**. Copies will also be available in the Middle School/High School Office if you cannot access the opt-out form online. If you have any questions about the survey administration, please don't hesitate to contact us at (906)265-5184.

Sincerely,
Mike Berutti

I do not want my child to participate in the survey.
