Chocolate & COFFEE

Animal-Manatee & Dogs

Sport- Basketball

Music- Country & Christian

Books- Mystery Books

Welcome Back to School

I am so excited to be back for my second year at West Iron County as your School Nurse. I look forward to keeping the kids healthy and safe. It is my honor to care for your kids.

About Me

I grew up in Iron River and graduated from West Iron in 2006. I love being in the outdoors and camping. I have two sons, Drake and Reid. I have been married for 11 years to my husband Nathan and we have a 10 year old dog named Agnes. During summer break we took up chicken farming-we have 18 chickens! I also registered for my first ½ marathon, which I am running in September!
